

Dear ANAM Family and Friends,

I want to extend a personal invitation for you to join Faith and me at the **Association of North American Missions Southwest Regional** which will be held February 14 - 16, 2019 at the **Southwest Indian Ministries Center** - 14202 N 73rd Ave in Peoria, AZ and will include 2 sessions of the **Elisha Initiative** - ANAM's project to assist in leadership development.

Of course, we want all of the **ANAM family** to be aware of this important, yearly time of **connection** and **growth**. It's interesting, these are 2 of our Core Values - Accountable, **Connected**, **Growing**, and Stretched! We also want **friends of ANAM** to know that they are invited as the team reaching North America is bigger than ANAM!

Thursday - February 14

3:00 PM

Elisha Initiative - "**Focus On The Bullseye - Discern God's will for you and your organization and say NO to distractions**".

In this session we will discuss how we as leaders can keep ourselves and the organizations we serve on track and focused. Be prepared to share your personal and organizational goals. We will attempt to identify potential sources of distraction and conversely how to discern when God is leading in a new direction. Our speaker, **Pastor Ron Sallee**, has served with Village Missions for 40 years and currently leads their Contenders Discipleship Initiative.

Dinner

7:00

Elisha Initiative - "**A Look at the Calling of a Shepherd**"

We will see how one shepherd heard God's call and look at Moses' "Burning Bush" moment, his "Wilderness Experience", and his specific calling. We will then examine our own general and specific callings in our own ministry journey, and discuss how to help others see their possible calling. Our speaker, **Roger Scarbro**, has served in Native ministry for 33 years, and currently serves as the General Director of American Indian Ministries, Inc.
