# Cutting Through the Cultural Fog

Driving down the road in dense fog provides a sense of uncertainty and anxiety. Where is the stop sign? Have I passed the intersection? Am I getting too close to other cars? **CULTURAL FOG** can cause the same concerns as we navigate through the challenges of life and ministry. Join us as we steer through the fog to gain clarity!

## Monday

**Forum registration** begins at 3:00 PM in the main lobby of the Hotel. At 6:30, our **Welcome Reception and some fun** will be held at Coral Reef Mini Golf - 200 S Wildwood - just behind the hotel.
