

### ANAM Western Regional Details:

The regional committee suggests that you reserve hotel or Air B&B-type housing early as rooms may fill up quickly.

The Friday evening meal at 5 PM will be hosted by the Southeast Valley Bible Church congregation.

All other meals will be on your own. There are a variety of restaurant options within a couple of blocks of Southeast Valley Bible Church.

-----

On Friday we will have an “Introducing ANAM Western Regional Missions” session. We are asking all missions to bring a 5-minute presentation of their mission and ministry on a thumb-drive. Thumb drive will be given to the sound tech just before the 6 PM session immediately after the provided supper. Someone from your mission may give a very brief introduction beforehand.

### Seminar Leaders:

**Pastor Joel Tetreau** is the pastor of Southeast Valley Bible Church. He is also on the board of UIM. Joel’s son will be helping with teaching sessions with his dad. They will be teaching on **“How to Make Your Church More Multi-cultural.”**

**Dino Butler** is a missionary with NAIM and leads the counselors at Broken Arrow Bible Ranch. Dino will be leading our group discussion sessions tied in with our main topics.

**Ty Platero** serves with UIM and Broken Arrow Bible Ranch as program director. He will be our emcee for the regional and teach a session on **“How to Make Your Church More Multi-Generational.”**
